OFFICIAL BALL

LT PRO 48

WHEN PERFORMANCE MATTERS.

- Life Time developed its own high-performance outdoor ball, the LT Pro 48, which is the official ball of the Carvana PPA Tour and Major League Pickleball (MLP).
- 48-Hole Design: The first injection-molded, 2-piece ball with 48 holes (instead of the standard 40) designed to improve aerodynamic stability and flight consistency.
- True Bounce & Shape: Highly praised by club players and some pros for resisting warping and staying perfectly round far longer than classic balls.
- Extreme Durability: Community testers on platforms like Reddit indicate they last 4x longer than standard Franklin X-40 balls, stretching play limits from 15 hours up to 50–80 hours per ball.
