REGISTRATION & DUPR ELIGIBILITY

PLAYER REQUIREMENTS • RATING LIMITS • VERIFICATION

19–20 December 2026 | The Pickle Zone, Mentakab, Pahang

1. General Entry Requirements

Participants must register in the correct category and provide accurate player and rating information. Players entering rating-restricted categories must have an active DUPR account with a numerical rating in the relevant doubles discipline. NR (No Rating) players are not eligible for the rating-restricted categories listed below.

2. Category Eligibility

Category	Required rating / eligibility
Beginner Mixed Doubles	Each player: Mixed Doubles Rating 2.000–2.599 AND must never have won any prize or award in any pickleball tournament, regardless of category or level.
Intermediate Men's Doubles	Each player: Men's Doubles Rating 2.600–3.300.
Intermediate Women's Doubles	Each player: Women's Doubles Rating 2.600–3.300.
Intermediate Mixed Doubles	Each player: Mixed Doubles Rating 2.600–3.300.
Open Team	Each player ≤3.300. Male players assessed by Men's Doubles Rating; female players by Women's Doubles Rating. Combined rating of all six players must be ≤16.00.

3. Open Team Rating Calculation

Add the relevant doubles ratings of all six registered players: the three male players' Men's Doubles Ratings and the three female players' Women's Doubles Ratings. Each player must individually meet the 3.300 maximum, and the six-player total must not exceed 16.00.

4. Verification

The Organising Committee may verify player ratings and tournament history during registration or before competition. Participants must provide correct DUPR profile details and cooperate with eligibility checks. Ineligible entries or inaccurate information may be dealt with by the Organising Committee under the tournament regulations.

DUPR submission: All eligible and completed tournament match results are intended to be submitted to DUPR. Final rating updates are subject to DUPR processing, validation and acceptance.
